FARMER

The products in our Farmer collection are inspired by the long history of Valtra; “Since 1951” and the old Valmet tractor appear on knitted badges, embroideries and prints. These products are steeped in nostalgia and take you back to the good old times. The Farmer collection is a range of casual leisure clothing which can be easily mixed and matched and is made of materials that are comfortable, soft and close to nature, such as cotton and wool.

WORKWEAR

Valtra's new workwear collection is youthful and stylish, and reflects Valtra's new elegant design language. Careful thought has been put into clothing functionality, which has played a key role in designing the collection. The products fit like a glove — the material is light but still strong enough to withstand even the harshest working conditions. The red and black colour combination and reflecting details ensure great visibility and effectively add to safety when working in the dark. The main role of our workwear clothing is to provide protection, but it looks great as well.

DUNGAREES
